Assurances and Certifications

The following problems were found:

- You need to read and accept all assurances.
- You need to read and accept all certifications.
- You need to sign your application by checking the box below.

To the best of my knowledge and belief, all data in this application/preapplication is true and correct, the document has been duly authorized by the governing body of the applicant and the applicant will comply with the attached assurances if the assistance is awarded.

Your typed name, in lieu of your signature represents your legal binding acceptance of the terms of this application and your statement of the veracity of the representations made in this application. The document has been duly authorized by the governing body of the applicant and the applicant will comply with the following:

1. Assurances
2. Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace requirements.

If you are an applicant for any Violence Against Women grants, this includes the Certification of Compliance with the Statutory Eligibility Requirements of the Violence Against Women Act.

OMB APPROVAL
NUMBER 1121-0140

EXPIRES 12/31/2012

STANDARD ASSURANCES

The Applicant hereby assures and certifies compliance with all applicable Federal statutes, regulations, policies, guidelines, and requirements, including OMB Circulars A-21, A-87, A-102, A-110, A-122, A-133; Ex. Order 12372 (intergovernmental review of federal programs); and 28 C.F.R. pts. 66 or 70 (administrative requirements for grants and cooperative agreements). The applicant also specifically assures and certifies that:

1. It has the legal authority to apply for federal assistance and the institutional, managerial, and financial capability (including funds sufficient to pay any required non-federal share of project cost) to ensure proper planning, management, and completion of the project described in this application.

2. It will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.

3. It will give the awarding agency or the General Accounting Office, through any authorized representative, access to and the right to examine all paper or electronic records related to the financial assistance.

'4. It will comply with all lawful requirements imposed by the awarding agency, specifically including any applicable regulations, such as 28 C.F.R. pts. 18, 22, 23, 30, 35, 38, 42, 61, and 63, and the award term in 2 C.F.R. § 175.15(b).

5. It will assist the awarding agency (if necessary) in assuring compliance with section 106 of the National Historic Preservation Act of 1966 (16 U.S.C. § 470), Ex. Order 11593 (identification and protection of historic properties), the Archeological and Historical Preservation Act of 1974 (16 U.S.C. § 469 a-1 et seq.), and the National Environmental Policy Act of 1969 (42 U.S.C. § 4321).

6. It will comply (and will require any subgrantees or contractors to comply) with any applicable statutorily-imposed nondiscrimination requirements, which may include the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. § 3789d); the Victims of Crime Act (42 U.S.C. § 10604(e)); The Juvenile Justice and Delinquency Prevention Act of 2002 (42 U.S.C. § 5672(b)); the Civil Rights Act of 1964 (42 U.S.C. § 2000d); the Rehabilitation Act of 1973 (29 U.S.C. § 7 94); the Americans with Disabilities Act of 1990 (42 U.S.C. § 12131-34); the Education Amendments of 1972 (20 U.S.C. §§1681, 1683, 1685-86); and the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101-07); see Ex. Order 13279 (equal protection of the laws for faith-based and community organizations).

7. If a governmental entity:

   a. it will comply with the requirements of the Uniform Relocation Assistance and Real Property Acquisitions Act of 1970 (42 U.S.C. § 4601 et seq.), which govern the treatment of persons displaced as a result of federal and federally-assisted programs; and
   b. it will comply with requirements of 5 U.S.C. §§ 1501-08 and §§ 7324-28, which limit certain political activities of State or local government employees whose principal employment is in connection with an activity financed in whole or in part by federal assistance.

h1>U.S. DEPARTMENT OF JUSTICE
OFFICE OF JUSTICE PROGRAMS
OFFICE OF THE CHIEF FINANCIAL OFFICER

CERTIFICATIONS REGARDING LOBBYING; DEBARMENT, SUSPENSION AND OTHER RESPONSIBILITY MATTERS; AND DRUG-FREE WORKPLACE REQUIREMENTS

Applicants should refer to the regulations cited below to determine the certification to which they are required to attest. Applicants should also review the instructions for certification included in the regulations before completing this form. Acceptance of this form provides for compliance with certification requirements under 28 CFR Part 69, "New Restrictions on Lobbying," 2 CFR Part 2867, "DOJ Implementation of OMB Guidance of Nonprocurement Debarment and Suspension," and 28 CFR Part 83, "Government-wide Debarment and Suspension," and Government-wide Requirements for Drug-Free Workplace (Grants)." The certifications shall be treated as a material representation of fact upon which reliance will be placed when the Department of Justice determines to award the covered transaction, grant, or cooperative agreement.

1. LOBBYING As required by Section 1352, Title 31 of the U.S. Code, and implemented at 28 CFR Part 69, for persons entering into a grant or cooperative agreement over $100,000, as defined at 28 CFR Part 69, the applicant certifies that:

(a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making of any Federal grant, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal grant or cooperative agreement;

(b) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal grant or cooperative agreement, the undersigned shall complete and submit Standard Form - LLL, "Disclosure of Lobbying Activities," in accordance with its instructions;

(c) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subgrants, contracts under grants and cooperative agreements, and subcontracts) and that all sub-recipients shall certify and disclose accordingly.

2. DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS (DIRECT RECIPIENT)

As required by Executive Order 12549, Debarment and Suspension, and implemented at 2 CFR Part 2867, for prospective participants in primary covered transactions, as defined at 2 CFR Section 2867.20(a):

A. The applicant certifies that it and its principals:

(a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, sentenced to a denial of Federal benefits by a State or Federal court, or voluntarily excluded from covered transactions by any Federal department or agency;

(b) Have not within a three-year period preceding this application been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

(c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any of the offenses enumerated in paragraph (1)(b) of this certification; and

(d) Have not within a three-year period preceding this application had one or more public transactions (Federal, State, or local) terminated for cause or default.

B. Where the applicant is unable to certify to any of the statements in this certification, he or she shall attach an explanation to this application.

3. DRUG-FREE WORKPLACE (GRANTEES OTHER THAN INDIVIDUALS)

As required by the Drug-Free Workplace Act of 1988, and implemented at 28 CFR Part 83, Subpart F, for grantees, as defined at 28 CFR Sections 83.620 and 83.650:

A. The applicant certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an on-going drug-free awareness program to inform employees about

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency, in writing, within 10 calendar days after receiving notice under subparagraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, to: Department of Justice, Office of Justice Programs, ATTN: Control Desk, 810 7th Street, N.W., Washington, D.C. 20531. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e), and (f).

As the duly authorized representative of the applicant, I hereby certify that the applicant will comply with the above certifications.

Accept

Attachment 1: **Program Narrative**

Grant Program: **Edward Byrne Memorial Justice Assistance Grant (JAG) Program FY 2012 Local Solicitation**
Applicant Name: **City of St. Peters, Missouri**
Program Title: **2012 St. Peters JAG Equipment Purchases**
Amount Requested: **$10,754**

1 Background

The City of St. Peters, Missouri is located in the western suburbs of the St. Louis, MO-IL Metropolitan Statistical Area. The St. Peters Police Department serves the estimated 52,575 residents of the City of St. Peters with an authorized strength of eighty-six (86), commissioned police officers and five (5) corrections officers.

This funding request in the amount of $10,754 is made under the Edward Byrne Memorial Justice Assistance Grant (JAG) Program FY 2012 Local Solicitation on behalf of the St. Peters Police Department. This application, made under the guidelines of program, seeks funding to purchase one (1) downdraft powder station; twenty-six (26), GPS units; two (2) pairs of binoculars, and four (4) preliminary breath test (PBT) devices with passive testing capability.

2 Equipment Funding Requests

2.1 Downdraft Powder Station ($2,250)

Often, processing items with fingerprint powder is best performed in the controlled environment of a police laboratory. However, unless the spread of fingerprint powder can be controlled, it can quickly cover and contaminate items that are not intended for fingerprinting. Downdraft powder stations are designed to capture and collect this fingerprint powder to prevent its spread in the crime laboratory while dusting for prints.

Attachment 1: **Program Narrative**

Grant Program: **Edward Byrne Memorial Justice Assistance Grant (JAG) Program FY 2012 Local Solicitation**
Applicant Name: **City of St. Peters, Missouri**
Program Title: **2012 St. Peters JAG Equipment Purchases**
Amount Requested: **$10,754**

This grant application proposes the purchase of a downdraft powder station to control the spread of fingerprint powder in the crime lab. A suitable model for this purpose is the Labconco Protector Downdraft Powder Station available from Fisher Scientific Co., LLC for $2,178. Attachment 5 is a quotation for this downdraft powder station from Fisher Scientific Co., LLC without shipping.

2.2 GPS Navigation Units ($5,200)

A primary mission of law enforcement officers is promptly responding to calls for service. GPS navigation technology can be useful to police officers for the purpose of minimizing response times. To this end, this grant application seeks funding for the purchase of GPS navigation units. These GPS navigation units will be installed in each police vehicle used by patrol officers, traffic officers and officers assigned to the Proactive Policing Team. This will require the purchase of twenty-six (26) GPS navigation units.

Two important features of GPS units selected for use by law enforcement officers are the ease of destination entry and the clarity of the navigation display. Preferably, destinations can be entered into these GPS units simply, with one or two voice commands, and the GPS units' navigation displays will be of sufficient size and clarity that they are readable by officers in any situation.

GPS navigation models currently on the market satisfy these requirements to varying degrees. For example, at a current per unit cost of $200, the Garmin nüvi 2495LMT has spoken,

"one-shot address entry" and a 4.3-inch, navigation display. Although a larger, 5-inch navigation screen is preferred, a suitable unit with a 5-inch screen is not available for $200 at this time. As technology and pricing are rapidly changing in this market, the selection of a specific GPS model will be delayed until the grant has been awarded. The unit determined to offer the best combination of ease of address entry and clarity of the navigation display will be selected for purchase. Attachment 6 is the current per unit pricing of a Garmin nüvi 2495LMT from Amazon.com.

2.3 Binoculars ($1,266)

Officers conducting surveillance often need binoculars to aid their vision. This grant application proposes the purchase of two (2) pairs of binoculars for use by officers.

Binoculars used by law enforcement officers must be durable and must have quality optics. Leopold 10x50mm Military Roof Mil Dot binoculars satisfy these requirements. The specific model of binoculars selected for purchase will depend upon pricing options available at the time the grant is awarded. Leopold 10x50mm Military Roof Mil Dot binoculars are currently available for $633 each. Attachment 7 is the current per unit pricing of a pair of Leopold 10x50mm Military Roof Mil Dot binoculars from Amazon.com.

2.4 Preliminary Breath Test Devices ($2,120)

Preliminary Breath Test (PBT) devices aid officers in the detection of alcohol on the sampled breath of persons who blow into the device. Some PBT devices can also passively

sample for the presence of alcohol in the air near a subject or above a container of liquid. This grant application seeks funding for the purchase of four (4) PBT devices with passive sampling capability.

The Intoximeters Alco-Sensor FST is a PBT device that offers passive sampling capability desired by the St. Peters Police Department. They are priced at approximately $530 per unit. Attachment 8 is the current per unit pricing of an Intoximeters Alco-Sensor FST PBT from Galls.

3 Performance Measures

The following performance measures can be recorded and reported:

1) Amount of funds expended on equipment/supplies during the reporting period.
2) Types of equipment purchased with JAG dollars during the reporting period.
3) Percent of staff that directly benefit from equipment or supplies purchased by JAG funds, who report a desired change in their job performance.

4 Organizational Capabilities/Competencies

4.1 Staffing and Management

The selection of vendors and purchase of equipment with grant funding will be coordinated and supervised by the City's Finance Department under established purchasing procedures. The Finance Department is currently managed by a Certified Public Accountant. The Finance Department will maintain and report financial information related to this grant.

The installation, utilization, and operational reporting of the performance measures relating to this equipment will be administered by a St. Peters Police Sergeant under the direction of the Commander of the Bureau of Field Operations.

4.2 Segregation of Draw Downs and Grant Expenditures

The Finance Department for the City of St. Peters will establish and maintain sufficient accounting procedures to enable tracking of all draw downs and expenditures separately from other federal funding.

5 Program Timeline

It is the intention of the St. Peters Police Department to expeditiously purchase and utilize all equipment items upon receipt of funding for these requests.

If funding is awarded, quarterly reporting will start as required. Quarterly reports will be submitted within thirty calendar days after the end of each quarter for the duration of the grant activities. Grant activities will be completed within three years of the end of the fiscal year in which the grant is awarded. Final financial and program reports will be submitted within thirty days of the end of the quarter in which grant activities are concluded. Assuming that grant funding is awarded during the same quarter as the date of this grant application, significant, expected program event dates are detailed below:

Date of award to - 6/30/15 Purchase all equipment and supplies and install as applicable.

Attachment 1:	**Program Narrative**
Grant Program:	**Edward Byrne Memorial Justice Assistance Grant (JAG) Program FY 2012 Local Solicitation**
Applicant Name:	**City of St. Peters, Missouri**
Program Title:	**2012 St. Peters JAG Equipment Purchases**
Amount Requested:	**$10,754**

10/30/12- Quarterly financial and programmatic reports due (repeat quarterly until grant activities are complete and final report is submitted or until 7/30/15)

7/30/15 - Final financial and programmatic reports due on or before this date (depending on the actual date of the grant award).

Grant Program:	**Edward Byrne Memorial Justice Assistance Grant (JAG) Program FY 2012 Local Solicitation**
Applicant Name:	**City of St. Peters, Missouri**
Program Title:	**2012 St. Peters JAG Equipment Purchases**
Amount Requested:	**$10,754**

Budget Narrative

Federal funds accepted by the City of St. Peters prior to actual payment for the items requested in this grant application will be placed in a trust fund established by the City for the purpose of permitting draw downs in the furtherance of grant activities.

As requested in this application, $10,754 in Federal funding is allocated to the following equipment and supply purchases: a downdraft powder station for the crime laboratory ($2,250); twenty-six, GPS navigation units for installation in police vehicles ($5,200); two pairs of binoculars for general use by officers ($1,266) and four preliminary breath test devices with passive testing capability ($2,120). The total cost for these items is estimated to be $10,836.

The remaining, Non-Federal amount of $82 will be supplied from the General Fund of the City of St. Peters.

All items will be purchased using the City's established purchasing procedures. No administrative funds have been requested to support and implement the purchase of these items.

Attachment 3: **Review Narrative**

Grant Program: **Edward Byrne Memorial Justice Assistance Grant (JAG) Program FY 2012 Local Solicitation**
Applicant Name: **City of St. Peters, Missouri**
Program Title: **2012 St. Peters JAG Equipment Purchases**
Amount Requested: **$10,754**

This application will be provided to the members of the St. Peters Board of Aldermen, the governing body for the City of St. Peters, on or before their next scheduled meeting on May 16, 2012. As the information required to complete this application was not available in sufficient time to initially meet the 30-day governing body review requirement of the grant, it is understood that the Bureau of Justice Assistance may add a special condition to the award that will withhold grant funds until the City of St. Peters submits documentation that this requirement has been met.

The application will be made public per established procedures and an opportunity for comment will be provided to citizens and neighborhood or community organizations.

This application is subject to review by the State of Missouri per the Executive Order 12372 process and will be submitted for review on May 11, 2012.

Attachment 4: **Abstract**

Grant Program: **Edward Byrne Memorial Justice Assistance Grant (JAG) Program FY 2012 Local Solicitation**
Applicant Name: **City of St. Peters, Missouri**
Program Title: **2012 St. Peters JAG Equipment Purchases**
Amount Requested: **$10,754**

This application requests funds to purchase items for use by members of the St. Peters Police Department. These items consist of: a downdraft powder station for the crime laboratory, GPS navigation units for installation in police vehicles, binoculars, and preliminary breath test devices with passive testing capability.

Product Info

The Intoximeters Alco-Sensor FST (FST) is a pocket-sized, hand-held breath alcohol tester. Offering both direct and passive sampling, this instrument produces fast, reliable, accurate results in a package that is designed so that the operator has maximum control over the subject during sample collection. The unit is also capable of detecting alcohol in a solution. Rugged enough to survive field use in a policing environment, it is also designed to offer intuitive, simple operating procedures and have sample collection requirements that minimize risk to the operator.

- Symmetrical design allows left or right-handed use
- Allows the operator to control the subject, protect their weapon, easily view both the subject and the instrument display while at the same time preventing the subject's breath from being blown in their direction
- Backlit LCD and illuminated mouthpiece guide for nighttime use
- Patented electrochemical fuel cell sensor generates an electronic response that is proportional to the Breath Alcohol Concentration
- NHTSA, US DOT approved for evidential or screening use, meets or exceeds the federal model specification for traffic enforcement and Omnibus breath alcohol testing
- Fuel cell sensor is specific for alcohol, does not respond to acetone or other substances found in the human breath
- Accurately detects breath alcohol levels from .000 to .400 BrAC
- Responds within 5 to 10 seconds on negative or positive samples
- Operates over a wide ambient temperature range: 0° - 50°C (32°F - 122°F)
- CE Mark compliant for EMC compatibility for emissions and immunity
- Simple, one-point calibration
- Designed to collect a direct sample from a subject, a passive sample from a subject, or a headspace sample from an open container
- Capable of automatically or manually collecting direct and passive samples
- Patented mouthpiece design offers a low cost, easy-to-install mouthpiece that directs the breath flow away from the operator
- Powered by two AA batteries for 1000+ tests
- Impact resistant ABS/Polycarbonate blend case
- Last test recall
- High visibility Liquid Crystal Display; back lighting for nighttime viewing
- 1 year parts and labor warranty
- Includes carrying case, web-based training, lens protector, rubberized grip, wrist band, 2 passive sample cups (reusable), one sniffer adapter, and 25 mouthpieces
- For replacement mouthpieces, see (LE907)
- Measures 4-3/4"H x 1-5/8"W x 2-3/4"D
- Weighs 6 oz with batteries
