Initial

Plaques are installed in the Hall of Honor in the order the applications are received. Plaques will be installed by City staff and sponsor will be notified when the plaque is in place. Delay in installation may occur during the winter months when temperatures are too low for the adhesive to work.

Sponsor understands and agrees that information provided may be limited to available space of 48 characters per line. Sponsor attests that all information provided pertaining to the Veteran is true and accurate. A separate application should be completed for each veteran that is being sponsored. To expedite the approval process, a copy of the Veteran's Military Report of Separation (DD214) should be submitted with the application. Social Security Numbers should be removed or covered from the copy before submitting. Cost is $75 per plaque which includes one replacement if the plaque becomes damaged. The City reserves the right to deny any request for a message that is offensive in nature.

Sponsor understands and agrees that once a plaque is put in place in the Hall of Honor, it becomes the property of the City of St. Peters and may not be removed or altered. If the plaque becomes damaged, it will be replaced one time by the City at no cost to the sponsor. If it is determined that false information is provided for the Veteran, the plaque may be removed from the Hall of Honor and no refund will be given. Decorations or memorabilia left at the Veterans Hall of Honor will be removed and discarded daily.
