Dear Parent or Guardian,

Your child's Art Camp clay projects have been bisque-fired and are now ready to be painted/picked up. As we have done in previous years, we will not be glazing which is a process where glazing/color is added and a second firing is done. Instead, students will be given an opportunity to paint and apply a glossy spray finish to complete their decorative art which will achieve the same effect. Bisque-fired projects that are not painted are beautiful in their own right, so your child is free to choose to paint them or not.

Painting/Pick-up sessions are scheduled as follows:

Tuesday, Aug. 2	5-9 p.m.
Wednesday, Aug. 3	5-9 p.m.
Thursday, Aug. 4	5-9 p.m.
Saturday, Aug. 6	9:30-2:30 p.m.

We have limited storage, so unfortunately any clay projects not picked up will be disposed of. If you need to make special arrangements, please let us know and we will do our best to accommodate your schedule. You may call or stop by to sign up for painting/pick-up sessions. Our phone number is: 636-397-6903, ext. 1624.

Just a reminder: these projects are decorative art and should not be used to eat or drink out of. We enjoyed having your child at our camp and look forward to seeing you back for more of our summer art camp programs next year.

Sincerely,

Cynthia A. DuBois
