### JAN GROENEMANN CLASSES

*For Kids, Teens & Adults*

#### ART FOR CHILDREN 5-12

**\$96 • 6 weeks ongoing**

These classes guide your children in learning to see the miracle of shape, texture, line and color. Using pencil, colored pencil, pen & ink, clay sculpting, cartooning, pastels, watercolor, and acrylics, children can explore their creativity in these ongoing classes that meet 1 hour each week. The class sizes are small to allow for individualized instruction. Contact Jan Groenemann for list of supplies your child will need.

#### ART CLASSES FOR TEENS

**\$120 • 6 weeks ongoing (includes some supplies)**

Many time slots are available for these ongoing 1½-hour classes for teens to explore all mediums or the medium of choice in pencil, charcoal, colored pencil, pen & ink, cartooning, clay sculpture, pastels, watercolor, acrylics or oil. The classes are designed to give individual instruction. If a student wishes to major in art in college, these classes will help them develop a portfolio.

#### BEGINNING & INTERMEDIATE CLASSES FOR ADULTS

Drawing, colored pencil, pen & ink, watercolor, acrylics, oils, collage, mixed media or clay sculpting

**\$120 • 6 weeks ongoing**

The focus of these classes is on strong composition. Work at your level of experience in the medium of your choice with individual attention from one of the area's most accomplished artists and award-winning teachers. Two-hour day or 1½-hour evening classes are available. Students furnish their own supplies.

#### ADVANCED CLASSES FOR ADULTS

**\$120 • 6 weeks ongoing**

This class is for advanced students to work in the medium of your choice or explore new mediums with an emphasis on discovering your own personal style of expression. Also learn how to exhibit and market your work. Private, one-on-one classes are also available for advanced students.

### JERRY THOMAS CLASSES

#### COLOR SCHEMES FROM NATURE

**Mondays, Aug. 8-29, 6-9 p.m. • \$104 (includes instruction manual)**

Learn to see the wonderful color schemes found in nature which can be applied directly into your paintings. This class will make you aware of the magnificent range of "natural" colors and how to develop these colors on your palette.

#### HOW TO CREATE A MANDALA

**Tuesdays, Sept. 6-27, 6-9 p.m. • \$104 (includes instruction manual)**

Mandalas are exquisite beautiful circular designs that represent the wonderful balance and symmetry of the universe. This lovely art form is highly decorative and complicated and yet is quite achievable with a few principles and proper instruction. I'm just the guy to show you how!!

#### THE AGES OF MAN

**Tuesdays, Oct. 4-25, 6-9 p.m. • \$104 (includes instruction manual)**

What makes a person look young or old, like a baby or an adult? Here in this class the physical characteristics of each age are revealed and how to create these effects in paintings and drawings. Anatomy of male and female and all ages will be considered. Learn how to make a kid look like a kid and grandma look mature, wrinkles and all. This is a great class for portrait artists.

#### CREATING TEXTURES IN DRAWING AND PAINTING

**Mondays, Nov. 7-28, 6-9 p.m. • \$104 (includes instruction manual)**

Creating textures are a major challenge for an artist. Wood-grain, flaking paint, rough rock surfaces, hair and whiskers, wet spatters, coarse cloth, foam, decayed spots on leaves, etc. Textures are everywhere and most artists don't know how to depict them. In this class, I can show you how.
