Fencing Classes

REVISED:
11-15-16

The Sword! It holds us under its spell. In the martial art that is Classical Fencing, we explore the modern, practical applications of this ancient weapon. Students will learn the basics of classical foil: the stance, the movement, parries, attacks and general rules. We cultivate critical thinking in a high-stress environment, a drive for self-improvement, respect (of both self and others) and discipline.

So, students of all levels, ages 10-plus, come join us in this most beneficial of pastimes! We provide all of the equipment. All we ask of you is to bring a willingness to learn new things. Wear loose-fitting, athletic clothes; no jeans or shorts, please. And, wear athletic (preferably not running) shoes.
