## Scuba Diving Classes

REVISED  
11-16-16

### One Weekend Equals A Lifetime of Fun and Adventure!

The St. Peters Rec-Plex and Aloha Y-Kiki Divers offer Scuba classes throughout the year. Scuba (Self-Contained Underwater Breathing Apparatus) is your gateway to an adventure of a lifetime that can take you to some of the most exotic and breathtaking destinations on the planet.

Anyone who is reasonably healthy, comfortable in the water and can pass a basic swim test (200-yard swim and 10-minute tread) can be a safe, confident diver. Following the completion of the classroom and pool training, students must complete four open-water training dives with an instructor (not included in class cost). Open-water training dive trips are scheduled frequently to local and exotic destinations. Or, complete the training dives on vacation!

**Prerequisites:** Minimum age is 10 years. A completed and signed (by participant and parent if between the ages of 10 and 18 years) statement of understanding, liability release form and medical questionnaire. The medical statement/questionnaire and physician's release must be returned to Aloha Y-Kiki at least two days prior to your first class.

Contact Aloha Y-Kiki immediately after registration in order to receive course materials and further instructions. Participants MUST have all five chapters of the manual read and the knowledge reviews completed before the first class. Allow one to two weeks lead time to prepare. Registration ends 1 week prior to the class start date.

**For more information, contact Aloha Y-Kiki at 314-469-8722, or visit [www.y-kiki.com](http://www.y-kiki.com).**
