Citizen Comments

Mr. Boedeker had questions about Brookmount Park and why the equipment replacement and grading not been completed. He also wanted to know the rules for guns in the parks. Jeff's response was that the Brookmount Park renovation should be complete in June with new equipment and that he would check on the guns in the park situation. Mr. Applebaum had no comments.

Mayor's Comments

Mayor Pagano was unable to attend.

Alderman Comments

Alderman Elliott has been re-appointed as aldermanic representative to the parks board. Alderman Elliott received a concern from a resident about the litter problem in the parks. After doing some research he found that the state has a "NoMO TRASH" program and would like to see some signage for this program in the parks. A budget has been considered for each board or commission by the Board of Aldermen. Jeff will find the regulations for signage in the parks.
