MESSAGE from the CHIEF

St. Peters Police 2010 Annual Report

My Fellow Citizens,

I am once again both privileged and honored to present to you the St. Peters Police Department's 2010 Annual Report.

As 2010 came to a close I could not help but marvel at the many accomplishments achieved by the St. Peters Police Department and the men and women of this agency who so proudly serve this community.

In reviewing the statistical information contained within this report, it is certainly clear that our community remains a safe and welcoming place to live, raise a family, or operate a business.

After many years of planning and hard work on the part of City employees, elected officials, and concerned citizens, we have now nearly completed the construction and move in to the new St. Peters Justice Center. This facility will undoubtedly serve the needs of the Police Department, Municipal Court, and the public for many years to come.

I am incredibly proud of this agency and the St. Peters community, and I pledge to you my continued dedication to our mission of excellence in the public service.

Sincerely,

Thomas A. Bishop
Chief of Police

DEPUTY CHIEF'S MESSAGE

St. Peters Police 2010 Annual Report

Dear Citizens,

Thank you for your interest in our agency's annual report. As the Deputy Chief, Bureau of Support Services, I serve with the outstanding people who manage and operate our communications, records, and property management systems.

The Police Department relocated services to the new Justice Center this year. Construction continues, with completion of the entire project now set for the spring of 2011.

In 2009, the Police Records Section became one of the largest agencies in the state certified to submit our crime data through the Missouri Incident Based Reporting System (MIBRS). We are pursuing participation in the Missouri Data Exchange (MODEX) program to enable authorized law enforcement agencies to share local crime information across the state. The MODEX project also links users to the National Data Exchange (NDEX) project. NDEX participants have access to local information from across the country. These services are available without cost to the community and contribute significantly to both local and national crime-fighting efforts.

The St. Peters Police Department is working on behalf of the City with our regional government partners to implement a new radio system to provide a communication network for day-to-day operations and disasters to local government users. Our project milestones for 2010 were met, with the issuance of formal requests for proposals. Project managers estimate that contract awards could occur in the late spring or summer of 2011.

On behalf of the Bureau of Support Services, thank you for your continuing support.

Sincerely,

A handwritten signature in black ink that reads "Michael D. Townsend". The signature is written in a cursive, flowing style.

DEPUTY CHIEF'S MESSAGE

St. Peters Police 2010 Annual Report

To the Residents of St. Peters,

As the Commander of the Bureau of Field Operations, I am privileged to be responsible for all areas of enforcement. This is to include, but not limited to, the Criminal Investigations Division that conducts follow-up investigations, the Traffic Division that continues to strive to make our roads safe by enforcement and traffic accident investigations, and the Community Services Division that works with our residents in various capacities.

I am most proud of the officers in our Patrol Division who put on the uniform every day to keep our community safe. They are the backbone of this department, and as a result of their commitment and the teamwork of our officers and our citizens, our crime rate continues to decline throughout the City of St. Peters.

I am extremely proud of the men and women of this department as they are dedicated to providing only the highest level of police service to our community. The City of St. Peters only hires and retains the finest quality employees, and we continue to have high expectations of the Officers of this department.

We will continue to respond to our citizens in a prompt and courteous manner, while maintaining the utmost professionalism.

Sincerely,

Jeff Finkelstein
