Brief Description: Proposed ordinance authorizing the City Administrator to enter in to a contract to perform long line and intersection pavement marking.

Staff: Recommended (X) Not recommended () No Position ()

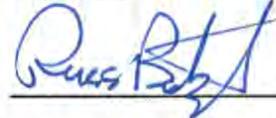

Summary/Explanation:

Please refer to the attached recommendation memo dated January 28, 2020.

Budget Impact: (revenue generated, estimated cost, CIP item, budgeted, non-budgeted etc.)

Approval of this recommendation will authorize the expenditure of \$253,227.35. The FY 2020 Transportation Trust Fund budget for long line and intersection pavement marking is \$265,000.00.

INTEROFFICE MEMORANDUM

TO: RUSSELL W. BATZEL, CITY ADMINISTRATOR
FROM: WILLIAM B. BENESEK, MANAGER/TDS *wbb 1/28/20*
SUBJECT: RECOMMENDATION - 2020 PAVEMENT MARKING PROGRAM
DATE: JANUARY 28, 2020
CC: AMANDA RICH, TRANSPORTATION ENGINEER

Recommendation: I recommend utilizing a renewal clause in the 2017 Pavement Marking Program (Bid 17-143), to award the 2020 Pavement Marking Program to America's Parking Remarketing, Incorporated of St. Louis, Missouri. Approval of this recommendation will authorize the award of a contract in the initial amount of \$253,227.35.

The FY 2020 Transportation Trust Fund budget for this project is \$265,000.00.

Background: On February 28, 2017, two (2) bids were received and opened for the 2017 Pavement Marking Program (Bid 17-143). The project consists of the placement of long line and intersection painting pavement markings throughout the City. America's Parking Remarketing submitted the lowest bid of \$197,793.00. America's Parking Remarketing's bid is 0.45% lower than the lowest bid received.

The contract for the 2017 program includes language that allows the contract to be renewed if the bidder agrees to hold their unit cost pricing and if City agrees. America's Parking and Remarketing has agreed to hold their 2017 pricing. The company successfully completed the 2017, 2018 and 2019 annual pavement marking programs and has held each of the City's annual pavement marking programs since 2013.

I recommend executing this renewal clause to complete long line and intersection pavement marking required for the 2020 Pavement Marking Program.

Brief Description: Proposed ordinance authorizing the City Administrator to enter in to a contract to perform concrete pavement replacement.

Staff: Recommended (X) Not recommended () No Position ()

Summary/Explanation:

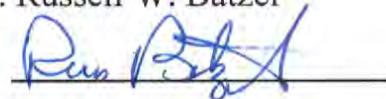

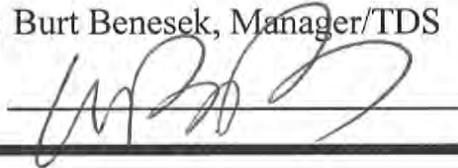

Please refer to the attached recommendation memo dated February 5, 2020.

Budget Impact: (revenue generated, estimated cost, CIP item, budgeted, non-budgeted etc.)

The FY 2020 Transportation Trust Fund budget for this project is \$1,300,000.

Execution of this ordinance will authorize the initial expenditure of \$1,153,613.20 for concrete slab replacement, with the initial contract amount adjusted as necessary based on the final measured quantities at the unit prices bid in the contract.

SUBJECT: 2020 CONCRETE SLAB REPLACEMENT PROGRAM
DATE: FEBRUARY 5, 2020
CC: JEFF BATEMAN, STREET MAINTENANCE SUPERINTENDENT

Recommendation: I recommend the 2020 Concrete Slab Replacement Program be awarded to the low bidder, M&H Concrete Contractors Inc. of St. Peters, Missouri. Approval of this recommendation will authorize the award of a contract, including the Base Bid and all Contingent unit cost items, in the initial amount of \$1,153,613.20.

The FY 2020 Transportation Trust Fund budget for this project is \$1,300,000.

Background: On February 4, 2020, five (5) bids were received and opened for the 2020 Concrete Street Slab Replacement Program. The base bid consists of the removal and replacement of 26,287 square yards of concrete pavement, with associated sidewalk and accessibility improvements. The bid proposal includes unit cost contingency line items to be used if needed to properly complete slab replacement operations.

M&H Concrete Contractors of St. Peters, Missouri submitted the lowest responsive bid of \$1,153,613.20, which is approximately 10% lower than the second lowest bid received and 13.5% lower than the average of bids received. M & H Concrete Contractors have held the City of St. Peters slab replacement contract for 12 of the past 13 years. The company has provided consistently provided quality workmanship, good customer service and professional practices. M&H Concrete Company has the necessary staff, resources and expertise to complete the 2020 Slab Replacement Program as specified.

On the following page is a summary of the bids received.

Bid Summary
2020 Concrete Street Slab Replacement Program

Bidder	Base Bid	Total
M & H Concrete Contractors, St. Peters, MO	\$1,153,613.20	\$1,153,613.20

SUBJECT: HUNTERS VALLEY STORM WATER IMPROVEMENT PROJECT (P-33)
 BID RECOMMENDATION (BID NO. 20-111)

DATE: JANUARY 31, 2020

CC: AMY HADDOCK, DIRECTOR OF STORM WATER; LIANE SARGENT, DIRECTOR OF
 ENGINEERING

Recommendation: Based on my review, I recommend the P-33 Hunters Valley Storm Water Improvement Project (Bid No. 20-111) be awarded to the low bidder, DJM Ecological Services, Inc., of Wentzville, Missouri. Approval of this recommendation will authorize the award of a contract in the initial amount of \$123,151.50.

The project is funded by the proceeds from the sale of Proposition P storm water bonds.

Background: On January 23, 2020, five (5) bids were received and opened for the P-33 Hunters Valley Storm Water Improvement Project. DJM Ecological Services, Inc., of Wentzville, Missouri, submitted the low bid of \$123,151.50. DJM's bid is 7% lower than the second lowest bid submitted by JTL Landscaping and 12% lower than the average of the bids received. A summary of the bids received is provided below.

Bidder	Total
DJM Ecological Services, Inc., Wentzville, MO	\$123,151.50
JTL Landscaping, LLC, Florissant, MO	\$132,257.92
Two Alpha Contracting LLC, Wright City, MO	\$132,908.65
Ideal Landscape Construction, Inc., St. Louis, MO	\$138,575.00
Lamke Trenching & Excavating, Inc., Marthasville, MO	\$116,656.80

After careful review, I recommend awarding the project to the low bidder, DJM Ecological Services, Inc.; as they have experience completing similar projects. The City has recently contracted DJM Ecological Services to build the Candlewick Detention Basin Retrofit project. DJM Ecological Services has the staff, equipment and resources to complete the project as specified.

Brief Description: Proposed ordinance authorizing the City Administrator to execute purchase order agreements for the procurement of asphaltic concrete materials for City street repairs and various projects.

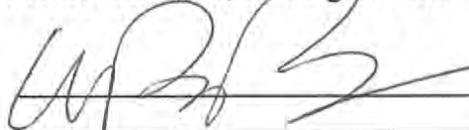

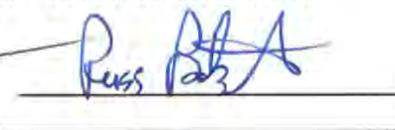

Staff: Recommended (X) Not recommended () No Position ()

Summary/Explanation: On January 23, 2020, the Board of Alderman approved directly soliciting unit cost quotes from Simpson's Materials, Fred Weber and Missouri Petroleum for the supply of various asphaltic concrete materials. These are the only suppliers that are in close proximity to St. Peters to allow the materials to be used effectively and economically.

The unit cost quotes will be submitted to the City's Purchasing Department by February 10, 2020. After these quotes are reviewed, a recommendation memo will be provided to the Board of Alderman and Mayor prior to the February 13, 2020 work session meeting.

Budget Impact: (revenue generated, estimated cost, CIP item, budgeted, non-budgeted etc.) Execution of this proposed ordinance will authorize a maximum expenditure of approximately \$1.3 million for budgeted asphaltic concrete purchases from Simpsons Materials and Fred Weber. Funds for asphaltic concrete material purchases will come from the project budgets for which the asphaltic concrete materials are used.

The 2014 personal property taxes are written off per State Statute. The County Collector's office mailed an original bill in late fall of 2014. A duplicate bill was mailed in February 2015 for any unpaid accounts. A reminder is then sent out once a year. Since you need your personal property receipt to renew your license plates, eventually the valid taxes are paid. The taxes that are hard to collect are the assessments where no vehicle is involved. If a large amount of tax due has accumulated, legal action is taken. It is not economically feasible to sue small accounts. If a taxpayer is sued and a judgment is rendered against them the County still collects taxes on the years that have been written off, and the city receives the tax money due them.

If a business has closed or changed ownership, they could still receive an assessment from the county. In most cases, the county was not notified of the closing or change. This is also true of the individuals listed. When no assessment form is received by the assessor's office an assessment is still made. Unless the taxes are abated, these assessments stay on the books inflating the actual tax due to the taxing entities.

Brief Description:

Resolution of Support for RTP grant application submission.

Staff: Recommended (X) Not recommended () No Position ()

Summary/Explanation:

The Parks Department would like to apply for a grant from the Recreational Trails Program (RTP) for financial assistance to repair the Spencer Road Trail. Grant applications must be submitted by February 14, 2020 and must include a Resolution of Support from the City's elected officials to be considered. The RTP provides funds to develop and maintain recreational trails and trail-related facilities. It is an assistance program of the Department of Transportation's Federal Highway Administration (FHWA), which works with the states to administer the program.

The project being proposed is to widen the platform of a 1,900 linear foot section of the Spencer Road trail so the asphalt can be properly bedded. The trail is currently atop a narrow levee that cannot provide adequate side support. As a result, the asphalt has been able to shift and form significant cracks in its surface. Additional details are in the attached documents. A resolution of Support from the Board of Alderman would allow the Parks Department to submit a grant application for funding consideration of this project.

Budget Impact: (revenue generated, estimated cost, CIP item, budgeted, non-budgeted etc.)

The project is anticipated to cost approximately \$225,000. If awarded the maximum grant, the City's financial obligation would be \$45,000 and the federally funded portion would be \$180,000. The City funds would come from the annual amount included in the budget for trail maintenance and repair, which is adequate to cover the costs. This would be a FY21 project if approved. Additional budgetary funds would not be needed if a grant was awarded.

INTEROFFICE MEMORANDUM

To: Russ Batzel, City Administrator
From: Vicki L. Phillips, Acting Manager of Parks & Golf Services
Subject: Resolution of Support for RTP Grant Application
Date: February 7, 2020

Recommendation:

I am requesting to submit a grant application to the federally funded and state administered Recreational Trails Program (RTP).

History:

The RTP provides grant funds to develop and maintain recreational trails and trail-related facilities. We have a section of trail in need of an extensive project.

The Spencer Road trail, running atop the Premier Levee from just north of Highway 70 to the boundary of 370 Lakeside Park, needs replaced. Our best management practice is to install 10' wide trails. The top of the levee which serves as the trail's platform is only 10' wide. This results in no shoulder and prevents the trail from being bedded into the ground for side support of the asphalt. Over time, this lack of containment has allowed movement of the asphalt in both, the extremely warm temperatures of summer and when the ground freezes and heaves in the winter. Two significant problems have resulted. First, large cracks have developed that widen and narrow with the temperature changes and ground movement. And second, some sections of asphalt have begun to slough off the edge of the levee.

The lack of a shoulder also makes the trail less user-friendly. Undeniably, most people feel safer when there is at least a narrow space along the side of the trail for refuge if needed to stop and rest or allow faster traffic to pass.

I would like to apply for a grant to widen the trail platform, providing a shoulder that will allow asphalt to be bedded and will give trail users a refuge area. The project would include building an attractive Redi-rock wall on the shoulder of Spencer Road and filling the area behind the wall. This filled area would widen the platform for the trail 4', allowing the trail to be centered with 2' of shoulder on each side. The specific details would be designed by an engineering firm.

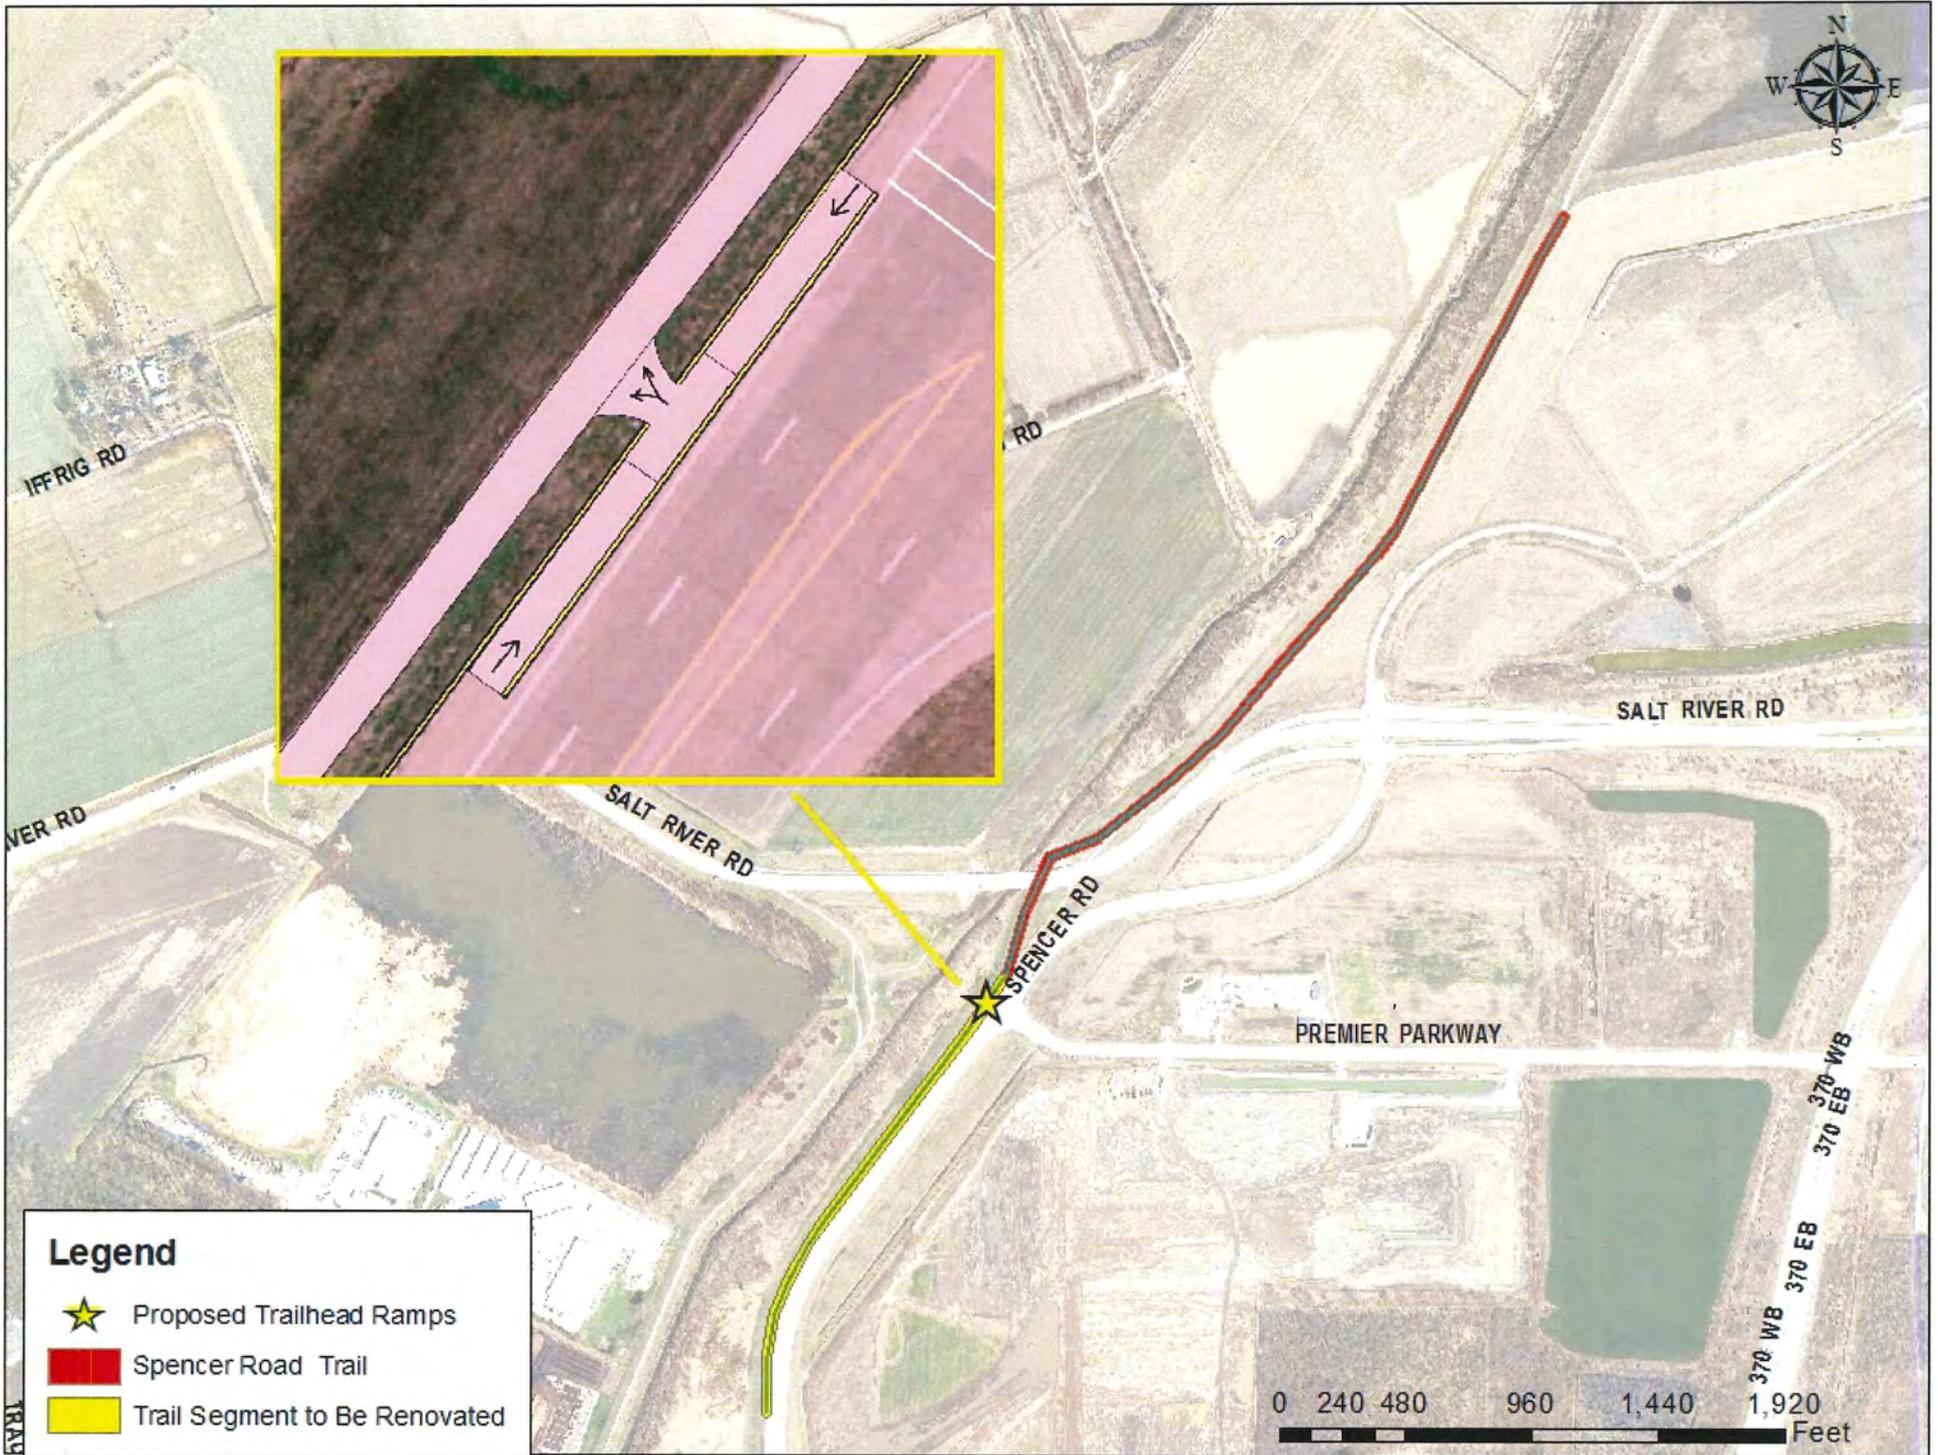

Financial Impact:

We anticipate this project to cost approximately \$225,000. If we were awarded a grant, our share of the project costs could be reduced as low as a \$45,000. The funds in the Parks budget for trail projects varies each year, based on the taxes collected. However, it is typically between \$160,000

and \$200,000 a year. This project would be a FY21 project. I am currently only asking for permission to apply for a grant.

Thank you for your consideration in this matter.

Vicki L. Phillips

Brief Description: Secretary of State/Records Retention Schedules

Staff: Recommended (X) Not recommended () No Position ()

Summary/Explanation:

The destruction of records schedule is set by the Secretary of State, which states the following: the disposition of records should be recorded in a document such as the minutes of the Board of Aldermen or other legally constituted authority that has permanent record status. The record should include the description and quantity of each record series disposed of, manner of destruction, inclusive dates covered and the date on which the destruction was completed.

Please view the attached destruction of records forms to be entered and made a part of the minutes.
