As a volunteer participating in Clean Stream Day, I Promise To:

- Remember that I live in a watershed, and anything I do in that watershed can affect a stream positively or negatively.
- Learn all I can about Missouri streams, especially those streams within the watershed that I reside and engage in activities that promote and preserve the health of Missouri Streams.
- Conduct myself in a professional manner so that my actions do not negatively affect my Stream Team, other volunteers, property rights of private landowners, or any sponsors of the Clean Stream Day.
- Consider the points of view of others on water resource issues; recognize that our state's waters serve many purposes, some of which may appear to conflict; and advocate for the health and values of Missouri streams based on good science and accurate data.

I agree to indemnify and hold harmless the City of St. Peters, Missouri Stream Team sponsors, officers, agents and assigns from any and all liability for claims, demands, and actions from any and all volunteer activities in which I, or my Stream Team Group, may participate.
