UTILITY BILLING

Save Waste ... Go Paperless through St. Peters BillPay!

Save waste when you sign up to receive paperless utility bills using St. Peters BillPay!

All you have to do is go to www.stpetersmo.net/BillPay, sign into your account, and follow the steps shown here.*

When you choose to receive your bill electronically through email, you automatically stop mailed paper bills.

This saves paper, energy, money ... it's a more sustainable way to pay!

Electronic Billing

Would you like to receive your bills by email?
C. Click YES

Yes - send them to my email address:
[Redacted].com

Please be aware that City of St. Peters, MO must be promptly notified if you vacate this service address to ensure that electronic billing and payment features on this account are discontinued.

Benefits of Electronic Billing

- Simple** - By selecting to receive your bill electronically we will send you a message one time per billing period.
- Go Green** - Receiving your bill by email means we won't print a paper bill for you which helps to protect our environment; saving trees and energy by saving paper.

*PLEASE NOTE:

- Don't have a BillPay account? You can easily set up your online account anytime at www.stpetersmo.net/BillPay
- You might already be signed up to make automatic payments to the City of St. Peters ... *but the only way to go paperless is to follow the steps here!*
- Your online BillPay account also allows you to **view your billing history for the past 12 months!**

NOW, YOU'VE GONE PAPERLESS!

Check your email for your bills.
