

# How to Schedule Free Curbside Collection of Your Bulky Items

The City of St. Peters offers free bulky item curbside collection service to each single-family household on two service dates per year. The service is for certain **oversized items that are too large to place in your City trash cart**. To receive free bulky collection service, you need to **register at least two business days in advance of your service date** and follow established guidelines. Here are some answers to frequently asked questions about how you can schedule your bulky item collection in St. Peters:

### • How can I find my free bulky waste collection dates?

- » Go online to [www.stpetersmo.net/bulky](http://www.stpetersmo.net/bulky). Click on "Bulky Trash Scheduling" and then enter your home address in the fillable form. Then, scroll down the page to view upcoming service dates at your address for curbside solid waste collection. You will see dates for your next two months of curbside collection services. If your next available bulky collection is scheduled within the next two months, you will see the date among the other upcoming solid waste service dates. *Look for these messages on your screen for bulky service:*

 Last day to schedule bulky trash collection ▼

 Bulky Trash Collection (BY APPOINTMENT ONLY) ▼

- » If your next bulky collection service date does not show up on the Bulky Trash Scheduling web page after you enter your address in the online fillable form, that means your next service date is further out than two months. (Each year, two bulky collection dates are set for your home, but you must pre-schedule to take advantage of this service.)
- » Another option on the Bulky Trash Scheduling page is to click "Get a Calendar" after you've entered your home address. After clicking "Get a Calendar," click on "Print a Calendar" to see the calendar on your screen. The calendar will show a full year of solid waste service dates for your address. You can choose to print the schedule for your records. Summarizing, here is your path to a printable annual solid waste service schedule: Go online to [www.stpetersmo.net/bulky](http://www.stpetersmo.net/bulky) → Enter your home address in the fillable form → Click "Get a Calendar" → Click on "Print a Calendar" Look for these symbols on your printable schedule to locate your bulky collection "schedule by" dates and service dates:

 This symbol is for the last day to schedule bulky service

 Indicates bulky collection service date (by appointment only)

### • I know the bulky collection date available for my home. How can I register for bulky waste service?

- » Schedule bulky pickup with the STP Collects App or online at [www.stpetersmo.net/bulky](http://www.stpetersmo.net/bulky), or call 636-970-1456, **at least two business days in advance of your collection date**. For example, register by Friday if your service is set for Tuesday, or by Monday if service is scheduled for Wednesday. *Never place bulky trash at your curb without pre-registering.*

### • What items can I schedule for bulky waste collection?

- » Furniture, TV sets, doors, mattresses, swing sets (disassembled), furnaces, and appliances *without Freon* such as stoves, water heaters, washers, dryers, and dishwashers. Tape all items with glass such as shower doors, windows and mirrors, and place those glass items in a separate pile. You may also set out brush (unbundled) less than 8 feet in length and paper yard waste bags in a separate pile.

*The maximum amount collected at no cost to you on Bulky Day is 3 cubic yards—approximately the amount that can fill the bed of a pick-up truck.*

**For questions or more information about bulky service, contact the Solid Waste Department at 636-970-1456.**
