

## Amazon Fulfillment in Missouri – Fast Facts

*Updated March 2018*

**Address:** 4000 Premier Parkway S., St. Peters, MO 63301

**Building Facts:** Amazon is creating more than 1,500 full-time jobs in Missouri with the creation of the St. Peters fulfillment center, which is scheduled to open next year.

Amazon employees will pick, pack and ship small items to customers such as books, electronics and toys. The facility will feature innovative technology such as Amazon Robotics that will assist employees in fulfilling customer orders.

Employees tell us they are excited to work alongside robotics and advanced automation – being employed at an Amazon fulfillment center is a leg up to careers across the tech sector and that's why it's important we offer a program like Career Choice where employees can get training to further their careers in areas such as robotics or engineering.

This fulfillment center is more than 800,000 square feet – about the size of 14 football fields – and will hold tens of millions of products with miles and miles of conveyor belts weaving throughout the building.

Our fulfillment network supports millions of businesses of all sizes worldwide through our Fulfillment by Amazon offering. Some of these businesses are local organizations based right here in Missouri.

There are nearly 20,000 charitable organizations in Missouri that Amazon customers can support simply by shopping on AmazonSmile ([smile.amazon.com](http://smile.amazon.com)). AmazonSmile is the exact same Amazon customers know and love, with the added bonus that we donate a percentage of their purchase price to the charitable organization of their choice.

**Job Info/Benefits:** In addition to competitive wages, full-time Amazon employees are eligible for comprehensive benefits starting on day one including healthcare, 401(k) with 50 percent match, stock, bonuses and a network of support to help employees succeed.

Hourly employees at our fulfillment centers receive maternity and paternity leave benefits. These benefits offer up to 20 weeks of paid leave, a flexible Ramp Back Program and the Leave Share Program that allows employees the ability to share their paid leave with their spouse or partner.

Amazon offers hourly employees innovative programs like Career Choice, where the company will pre-pay up to 95 percent of tuition for courses related to in-demand fields, regardless of whether the skills are relevant to a career at Amazon. Since the program's launch, employees are pursuing degrees in game design and visual communications, nursing, IT programming and radiology, to name a few.
