MESSAGE FROM THE CHIEF

St. Peters Police 2018 Annual Report

To the Residents of St. Peters,

As your Chief of Police, and a member of the St. Peters Police Department for 34 years, I can safely say the year 2018 has been good to our community. It is a privilege to present the St. Peters Police Department 2018 Annual Report.

The Annual Report provides a crisp and succinct look to summarize and acknowledge occurrences we have shared in our community. St. Peters is a safe and family-oriented community with an exceptional quality of life that can be attributed to past, present and developing visions.

The St. Peters Police Department’s vision and resolve is to serve as enforcement leaders in protecting and assisting all people in our community through problem solving, professional service, and the relentless pursuit of those who victimize our citizens, compromise public safety or that quality of life. I am honored and grateful to the men and women of this agency, officer and civilian, for their steadfast dedication to the St. Peters community,

As we look toward the future, the St. Peters Police Department will continue to respond to our citizens in a prompt and courteous manner, while maintaining the highest levels of integrity and professionalism. In service, I thank you for your continued trust.

Sincerely,

Jeff Finkelstein
Chief of Police

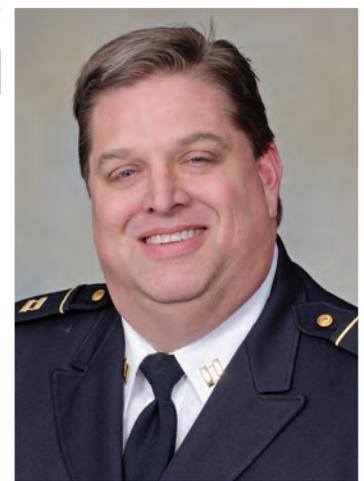

CAPTAIN'S MESSAGE

St. Peter's Police 2018 Annual Report

To the Residents of St. Peter's.

Thank You for reviewing the 2018 St. Peter's Police Department's Annual Report. I am the Commander of the Bureau of Field Operations for the department. This assignment entails working with the traditional law enforcement components of the department including Uniform Patrol, Criminal Investigations, School Resource, Traffic and Community Services units.

I am proud to serve with the men and women of this department striving to maintain safety and quality of life within our community. I have mentioned before that we cannot succeed in this endeavor without the assistance of the citizens. For example, we have a very active neighborhood watch program which allows citizens such as yourself to become more involved.

We recently initiated a Resident Camera Program for citizens to voluntarily log their residential cameras with our department. This program advises us of the presence of possible video resources. When the police department conducts criminal investigations in residential areas we are able to refer to this list and seek citizen assistance concerning video evidence which might be present on their system. In effect, this provides us with further "leads" to investigate criminal behavior within our subdivisions. It should be noted that the police department does not directly access any video. The program relies wholly on the cooperation of residents, willing to participate.

The above described program can be effective and has proven useful in prior investigations, most of which concern property damage and assaultive behavior. If you are interested in the program please go to the Police Department portal on our City website:

<https://www.stpetersmo.net/police-community-outreach.aspx>

Again, thank you for you continued support and involvement in our City.

Sincerely,

Captain Rick Struttmann

Dear St. Peters Residents and Visitors,

Thank you for your interest in the St. Peters Police Department.

This past February, I was appointed to the Bureau of Support Services, which includes the following Divisions: Communications, Records, Property Management, and Corrections.

Oftentimes, the public only sees our Police Officers on patrol, enforcing traffic violations, or responding to a criminal event. You may see our Detectives interviewing witnesses. Or, you may see a crime scene officer dusting for fingerprints. The public usually does not see all the effort which goes on behind the scenes of every police department. The Bureau of Support Services is the behind-the-scenes group that is essential in keeping the police department well-organized and running efficiently.

The Communications Division operates our 911 system and provides 24-hour police dispatch services by answering calls for service and promptly relaying information to our officers to ensure effective police response to our St. Peters residents and visitors.

The Records Division maintains all of the documentation generated by our police department. This Division ensures we are abiding by State and Federal guidelines for maintaining and releasing police reports and documents for investigations, legal proceedings, and in response to public requests.

The Property Management Division is responsible for managing evidence seized by our Officers and Detectives. This group ensures that all legal guidelines are followed in regards to chain of custody and evidence management, which preserves the integrity of our evidence for prosecution purposes. This Division also manages all police department supplies as well as vehicle and building maintenance.

Lastly, the Corrections Division processes and cares for adults who have been taken into temporary custody by our Officers and Detectives prior to their transfer to another facility or release.

The Bureau of Support Services is dedicated to providing excellent service and support to both the public and to our fellow employees. Please call on us whenever we can help. We look forward to serving you.

Sincerely,

Captain Andrew Ramirez

The mission of the St. Peters Police Department is to provide dedicated police service based on high ethical and professional standards while preserving the peace and order of the City. We will attain this mission through conflict management and enforcement of criminal law and city ordinances by officers who are committed to the rule of the law. The officers are empowered to investigate violations, arrest individuals who violate the law, search and seize evidence, and use objectively reasonable force when necessary. It includes being both responsive and responsible to the public we serve.

**Our mission is public service
and we are proud of it.**

Fiscal Year 2019 Objectives

- 1. Develop and implement measures to facilitate the hiring of qualified Police Officer candidates for the City of St. Peters Police Department.**
 - a. The purpose of the program is to identify potential applicants and to promote the professional atmosphere, excellent career opportunities, and employee benefits offered by the City of St. Peters.
 - b. The measures would comply with the policies of the City of St. Peters, and State and Federal regulations.
- 2. Develop an emergency plan for the St. Peters Police Department to assure operational functionality in the event an unforeseen incident limits or precludes access to the St. Peters Justice Center.**
 - a. The plan will have contingency provisions for uninterrupted law enforcement functionality. The plan will serve as a guideline in the event the Police Department loses access to the Justice Center.
 - b. Included in the plan will be the establishment of an alternate emergency operations site. This site will serve as the foundation for established components of the Police Department, including Field Operations, criminal investigations, Police records management, report writing, and communications.
 - c. Contingency plans will also be included for other departmental components including evidence and property management, prisoner processing and interviewing, armory control, and departmental training.
- 3. Continue a customer satisfaction level of 90% by focusing on the city's "IT" philosophy in daily interactions with internal and external customers.**
 - a. Reduce sustained citizen complaints against employees.
 - b. Provide timely recognition for outstanding employee performance through both City and departmental programs.
- 4. Increase employee safety awareness. Achieve and maintain a zero lost-day record and reduction in property loss and accidents through improved communication, increased individual accountability, safety training, and team action plans.**
 - a. Increase employee awareness of safety issues through supervisory focus on risk awareness training and debriefing on unsafe practices.

Tree Trimming Event

Fiscal Year 2019 Objectives - Continued from page 7

- b. Stress importance of thinking “Safety First” by recognizing safe behavior of employees both informally, through intradepartmental recognition, and formally through the City’s Employee Recognition Program.
 - c. Focus on employee accountability through individual counseling and progressive discipline for violations of established safety rules, including those causing loss or damage to City property.
5. The City of St. Peters now subscribes to the St. Charles County Digital P25 Radio System and no longer maintains radio equipment for local communications. Due to the upgrade of our county-wide system, the City of St. Peters no longer is the best option to support the federal 25 Cities Radio Project. The St. Peters Police Department will facilitate discussions to help find a suitable agency to support this project and associated radio equipment, as well as develop and implement a plan to transfer the project to that agency.
6. The St. Peters Police Department has utilized a use-of-force simulator system in its training programs since 2010. Our existing use-of-force simulator can no longer be supported by the manufacturer because the operating system is obsolete. The St. Peters Police Department will replace our use-of-force simulator with an updated system so we can continue to provide simulated, use-of-force training.

Prior Year Accomplishments (Fiscal Year 2018)

- Enhance the St. Peters Police Department’s on-site, customer service capabilities by hiring two commissioned Police Officers. We are in the process of hiring officers to provide 24-hour coverage for these positions.
- Enhanced the St. Peters Police Department’s ability to provide for safe, effective processing and temporary housing of detainees by hiring two non-commissioned Corrections Officers.
- Determined future police records management system requirements.
- Implement Missouri Department of Public Safety training standards for 911 Telecommunicators.
- Encouraged Neighborhood Watch programs to address crime. Monitored calls for service through our Police Server system to identify neighborhoods with a high volume of calls. Patrol Officers and Detectives suggested Neighborhood Watch programs in areas in which they saw an increase in criminal activity or problems that could be addressed through the program.

The Office of the Chief of Police is responsible for the management, direction, and administration of the Department. The Chief of Police is accountable for ensuring that the general functions of the Department are carried out effectively and efficiently.

Office of Training/Emergency Management

The Office of Training/Emergency Management is staffed by a Lieutenant who reports to the Chief of Police. The duties include emergency management, all-hazards planning, and coordination and management of the citywide radio system. The lieutenant is also responsible for ensuring employees receive proper training based on their positions and requirements are met for Project 48 established by Missouri POST.

Community & Media Relations Office

The Community/Media Relations Office is staffed by an Officer, who reports to the Chief of Police and whose duties include media and public relations, administration of crime prevention programs, management and administrative reporting, and Citizen Police Academies.

Professional Standards Office

The Professional Standards unit is staffed by a Lieutenant who reports to the Chief of Police. They are responsible for the professional development of the members of the Department as well as the creating and maintenance of the standards of conduct for the Department's internal investigations, complaint review/investigation, inspections, promotional process, hiring and background investigations.

BUREAU OF FIELD OPERATIONS

A Captain, who reports to the Chief of Police, commands the Bureau of Field Operations. The Bureau Commander is responsible for the intelligent, coordinated and effective deployment and management of the Department's patrol, uniformed and investigative resources.

Patrol Operations Division

Composed of three shifts, each commanded by a Lieutenant, supervised by one or more Sergeants, and reports to the Bureau of Field Operations Commander. This Division provides 24-hour uniformed police services.

St. Charles County Regional SWAT Team

This multi-jurisdictional unit is staffed by the departments of the St. Charles County Sheriff, St. Peters Police, O'Fallon Police, Lake St. Louis Police and Wentzville Police. The St. Charles County Ambulance District, Central County Fire and Rescue, and Cottleville Fire Protection District supply tactical medics for the team. The St. Peters Police Department contributes five police officers as a secondary assignment. Team members train 16 hours per month with a 40-hour training week once per year. The team is activated for tactical situations, including but not limited to armed barricaded subjects, armed suicidal subjects, hostage situations and dignitary protection details.

Crime Scene Investigation

The Crime Scene Unit has six regular ID (identification) officers who respond to a variety of crime scenes to help identify suspects by collecting evidence such as fingerprints, DNA, footwear impressions, tool mark impressions, and more. Fingerprints and DNA are submitted to the St. Charles County Crime Lab for analysis. The Latent Fingerprints table below shows how often candidates for matches were found in the computer-based Automated Fingerprint Identification System (AFIS).

IV. CRIMINAL INVESTIGATIONS

St. Peters Police 2018 Annual Report

Criminal Investigations Division

Cases are assigned to the Criminal Investigation Division as directed per Department Policy. The Criminal Investigation Division assesses each case based on, but not limited to, the following solvability factors: Was an arrest made? Are there witnesses? Can a suspect be identified or described? Is stolen property traceable? Is there a significant mode of operation or significant physical evidence? If none of those factors exist in a case, it is not normally assigned to this division. The Criminal Investigation Division does not generally investigate misdemeanor crimes or municipal ordinance violations. Those cases are handled by the Patrol Division with the help of the Criminal Investigation Division when needed.

V. TRAINING & PROFESSIONAL STANDARDS

St. Peters Police 2018 Annual Report

St. Peters Police Department Training Summary

The St. Peters Police Department takes an active role in ensuring all of its employees receive professional, proficient and quality training. This training allows employees to gain knowledge and skills needed to keep citizens safe and provide all citizens with the best service available.

In order for a police officer to remain licensed by the State of Missouri, they must complete a minimum of 24 hours of continuing education through the Missouri Peace Officers Standards and Training Program (POST) every year. In 2018, our officers received an average of 63 hours of continuing education. The St. Peters Police Department partners with many agencies to provide professional training to St. Peters Police Officers. Through these partnerships, the City of St. Peters was able to save an average of \$16,053 in training fees.
