Title to the common property is vested in the Trustees. Upon termination of this Indenture, title to common property shall vest in the owners of lots subject to this Indenture as tenants in common.

#### ARTICLE VII

##### ASSESSMENTS

Grantor, for each lot subject hereto, hereby covenants and each owner of any lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, shall be deemed to covenant and agree to pay annual assessments or charges and special assessments, the same to be levied, collected and enforced as hereinafter provided.

All assessments, regular or special, as determined by the trustees, will be apportioned and assessed equally among the lots affected by this indenture.

The annual and special assessments, together with such interest thereon and costs of collection thereof, including a reasonable attorney fee, as hereinafter provided, shall be a charge

on the land and shall be continuing lien upon the lot (and all improvements thereon) against which such assessment is made. Each such assessment, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall also be the personal obligation of the person or persons owning such lot at the time such assessment became due.

The assessments levied hereunder shall be used exclusively for the purpose of promoting the health, safety, welfare and recreation of the owners of the lots subject hereto, and including without limitation, the maintenance, operation, and improvement of the common property, the easements, streets, walkways and rights-of-way (except for such as have been or may hereafter be accepted by public bodies or agencies) and the performance of the duties, powers and rights of the Trustees as herein described.

In addition to the annual assessment authorized hereinabove, there may be levied a special assessment for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or replacement of a capital improvement within or upon the common property or any easement, street, walkway or other right-of-way provided for the benefit of the lots subject hereto, and including the provision of necessary fixtures or personal property related thereto upon the approval of a majority of the lot owners voting thereon, in person or by proxy, at a meeting duly called for this purpose, written notice of which shall have been sent to all lot owners at least thirty (30) days in advance, setting forth the purpose of the meeting.

All assessments, either annual or special, shall be made in the manner and subject to the following procedure:

A. The Trustees shall levy each annual assessment, at least thirty (30) days in advance of each assessment year, as established by the Trustees; provided, however, that the first annual assessment may be adjusted according to the then number of months remaining in the assessment year, as fixed by the Trustees. All subsequent annual assessments shall thereafter be on a full assessment year basis. Special assessments shall be levied in the manner provided above. The due date for each assessment (either annual or special) shall be established by the Trustees. In the event that, at any time during the year, the Trustees shall determine that the annual assessment is insufficient to meet current operating expenses, the Trustees may revise the budget for the balance of the assessment year to such an amount as is actually necessary including a reasonable amount which they consider necessary as a reserve for future needs, contingencies and replacements; and, in such event the Trustees shall, within fifteen (15) days of the revision, notify each lot owner, in writing, as to the amount of the revised budget, with the particulars therein itemized.

B. Notice of any assessment shall be given by the Trustees, either by mail, postage prepaid, addressed to the last known or usual post office address of the holder of legal title (and notice so given shall be considered given when mailed), or by posting a brief notice of the assessment upon the assessable property itself.

If any assessment is not paid on the due date, as established by the Trustees, then such assessment shall become delinquent and shall, together with such interest thereon and costs of collection thereof as hereinafter provided, thereupon become a continuing lien on the lot involved (and all improvements thereon), which shall bind such lot in the hands of the then owner, his or her heirs, devisees, personal representatives, successor and assigns. In addition to such lien, the personal obligation of the then owner to pay such assessment shall remain his personal obligation regardless of passage of title to his lot to a successor.

If any assessment is not paid within thirty (30) days after the due date, such assessment shall bear interest from such due date at the rate per annum which is the lesser of (i) the maximum rate permitted by law, if any, or (ii) eighteen percent (18%); and the Trustees may bring legal action against the owner personally obligated to pay the same, and, in addition, may execute and acknowledge an instrument reciting the levy of the assessment with respect to such lot and cause the same to be recorded in the Office of the Recorder of Deeds of St. Charles, and thereafter institute any appropriate legal action to enforce such lien. Upon payment, the Trustees shall execute and record (at the expense of the owner of the affected lot) a release of such lien. All costs, including reasonable attorney's fees, incurred by the Trustees in enforcing the payment of any delinquent assessment shall be paid by the lot owner in default and the amount of such costs, including reasonable attorney's fees, shall be a lien against the lot involved until paid.

The lien of any assessment provided for herein shall be subordinate to the lien of any first mortgage now or hereafter placed upon any lot subject hereto, as to assessments which become due and payable prior to a sale or transfer of such lot pursuant to foreclosure or in lieu of foreclosure. Such sale or transfer shall not relieve such lot from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment. The term "mortgage" or "mortgages" shall include deed of trust or deeds of trust.

All common properties subject to this Indenture and lots owned by Grantor prior to their first sale to an owner shall be exempt from the assessments, charges and liens created herein.

No assessment shall become due on any lot until first conveyance from Ton Johnson Construction Company, Inc.
